Step-By-Step Directions

1. Using large scallop heart from Heart Framelits, die cut 1 scalloped heart from Melon Mambo card stock and 1 from black card stock. Using next heart size down, die cut heart from Decor Elements Chalkboard.
2. Using Scallop Edgelit, die cut one side of each of the three (3) 1" waffle paper pieces; then stamp the flower border from Bordering on Romance along each piece. Sponge stamped edge of all 3 waffle paper pieces.
3. Attach sticky strip all along back edge of Melon Mambo scalloped heart. Peel off orange protective coating and evenly scrunch each of the 3 pieces of waffle paper around the heart making sure that the stamped, scalloped edge is extending as the outside border of the heart.
4. Place 2 small pieces of sticky strip at the top of the heart (one on each side); peel off orange protective coating, and attach black satin ribbon forming a loop for hanging. Attach black scalloped heart to back. Add Chalkboard heart centered to front of Melon Mambo scalloped heart.
5. Flower: Punch out 7 to 8 flowers using Blossom punch. (**Tip:** For easier punching, fold a piece of waffle paper in half and wiggle into punch. Not only does it punch 2 flowers at a time, but it also makes it easier to get paper into the punch.) Stamp flower from Mixed Bunch stamp set onto each flower. They may not line up exactly but it doesn't matter too much. Just keep the best one that comes out for the top of your flower. Pile all of the flowers on top of each other and push a Jelly Bean Sweet Shop brad through them all. Attach to front top left of heart.
6. Write your message on the chalkboard with a piece of chalk. Tie a piece of Baker's Twine loosely

to left side of black satin ribbon and tie the piece of chalk on it.
