Step-By-Step Directions

1. Cut purse using a half sheet of Very Vanilla card stock on the Stampin' Up! Bigz L Petite Purse Die with a cutting plate on the bottom and a crease pad on top. Run through Big Shot
2. Sponge Soft Suede Ink on the entire purse and handle.
3. Run purse through Big Shot in the Textured Impression Folder – lining up the bottom half and then running it through again – lining up the top half. Make sure the embossing pushes up through the colored part of the card stock.
4. Using your Designer Sanding Block, lightly sand the embossed portion of the card stock to remove the ink from ONLY the raised portions.
5. Apply Baja Breeze ink to the raised portions using a Stampin' Sponge.
6. Use your paper-piercing tool and mat pack to poke holes in the sides of the purse and the handle. Use mini brads to attach the handle to the purse.
7. Fold purse on the score lines and use sticky strip to assemble.
8. Punch a 1 ¼" circle out of Baja Breeze card stock and spiral cut using scissors.
9. Wrap spiral cut card stock around itself to form a flower. Squeeze flower and press onto 3 mini glue dots. Adhere a pearl to the center and glue dot the flower to the purse.
