Step-By-Step Directions

- Score two (2) 4-3/4" x 3-3/4" pieces of Cherry Cobbler card stock on short side @ 3/4" and 1". Run both pieces through Big Shot using Top Note die. Fold on score marks and then unfold. Using Stripes Impressions Folder, only emboss the largest, unscored part of the Top Note pieces.
- Place the Top Note pieces on the table with scored side at the bottom/embossed part at the top. Add a piece of sticky strip across the bottom front of each. The middle 1/4" fold will have nothing on it because that will become the bottom of your “Tea For Two” holder.
- Score 2" x 4-1/2" piece of Cherry Cobbler card stock @ 2" and 2-1/2". This piece will be your closure. Run piece through Big Shot using scallop tag from Two Tags die. What’s cool about this tag is that it has the same stitched look just like the Top Note.
- Cover Decoration:** Using scrap Whisper White card stock, stamp two (2) flowers from Mixed Bunch stamp set with Tangerine Tango ink. Punch them out with Blossom punch. Curl petals of each flower around your fingers to create raised edges making your flower look 3-D. Stamp one (1) “Tea for Two” from Tea Shoppe stamp set with Cherry Cobbler ink. Punch out with large oval punch. Punch one (1) 1-3/4" scallop circle from scrap piece of Cherry Cobbler card stock. Punch one (1) small flower using Itty Bitty Flower Shapes punch from scrap piece of Tangerine Tango card stock. (*Tip:* To create a small, shaped itty bitty flower, place small flower in the palm of your hand and press a pencil eraser into the center of the flower pushing it into the palm of your hand. This will curl up the small edges of the flower.) Place a large pearl in the center of the flower.

Tea For Two Holder (continued...)

5. **Assembly of Cover Decoration**: Fold scallop Two Tag piece on score marks. Open up and place on table with scallop at the bottom. Put piece of sticky strip across scallop and remove orange covering. Attach one Tangerine Tango Blossom Flower to scallop part of tag. Attach the second Tangerine Tango Blossom Flower on top of first one twisting it around a little so petals alternate. Add 2 dimensionals to center of flower and attach Cherry Cobbler 1-3/4" scallop circle. Add large oval "Tea for Two" on top of Cherry Cobbler scallop circle. With glue dot, add itty bitty Tangerine Tango flower with pearl on top covering small tea cup on image.
6. **Inside Pocket**: With 5-1/2" x 6-1/2" piece of white copy paper, fold on 1/2" score mark and then fold in half @ 3-1/2" score mark. Open up and wheel pattern of choice on entire piece. Add snail adhesive to 1/2" side and attach. Then fold in half to form 2 pockets. With 1-3/8" circle punch, punch a small bite out of the top of each pocket.
7. **Assembly of "Tea for Two" holder**: Place one of the Top Note pieces on the table with the sticky strip side face up at the top. Place the fold of the inside pocket piece just up to the first score mark making sure that it's centered. (*Tip*: Make sure to place the fold of the inside pocket just up to the score mark. Don't cover the score mark.) Peel off the piece of sticky strip on the second Top Note piece. Place the second Top Note piece face down (adhesive side down) making sure that it lines up with the first piece. Make sure again that the fold of the inside pocket is just up to the score mark and not covering it. Press to secure adhesive. Fold up sides; pocket piece should be on the inside.
8. **Finishing assembly of "Tea for Two" holder**: Figure out which side you want to be the front and the back of the "Tea for Two" holder. They're both the same but maybe one side came out better than the other. Add 2 pieces of sticky strip to the inside of the unscalloped side of the Two Tags piece. Attach to the back of your "Tea for Two" holder. Bring scallop part to front. Attach your Cover Decoration (that you made in Step #5) to the scallop front. I recommend using sticky strip for this, too. Place 1/2" of a velcro dot under scallop front and attach. Tie Cherry Cobbler Baker's Twine to scallop closure at the top.
