### Step-By-Step Directions

1. Score only 1 piece of 6-3/8" x 4-1/4" Crumb Cake card stock. This will be the cover. Note: Valley scoring will be on the top because piece will fold up, not down. Trace curved edge of treat envelope packet onto both pieces of Crumb Cake card stock and cut out. Holding both the cover, back, and 6 treat envelope packets together tightly (making sure that clear window of each treat envelope packet is in front), center into 2-hole punch and push in as far as it will go. Punch the 2 holes.
2. Run sticky strip along the backside of the front cover piece only. Peel off orange protective covering leaving 1/2" extended over edge, scrunch up Cherry Cobbler seam binding forming a ruffled edge. Leave 1/2" off edge on opposite side. Fold 1/2" pieces of leftover ribbon in and secure with glue dots. This will make for clean ribbon edges.
3. On scrap Whisper White card stock, stamp large, long ornament with Cherry Cobbler Ink and large, wide ornament with Crumb Cake Ink. Punch out with matching Framelits. On white 4" x 3-3/4" card stock, stamp "Tidings of Comfort and Joy" with Cherry Cobbler Ink in lower right hand corner. Color in center band of small ornament in image with Crumb Cake Stampin' Write Marker.
4. Attach small piece of Early Espresso Baker's Twine behind Crumb Cake ornament with dimensional leaving a piece extended out of the top of the ornament. Do the same with the Cherry Cobbler Baker's Twine on the Cherry Cobbler ornament. Put a few more dimensionals on each ornament evenly spaced around. Attach Crumb Cake ornament first and center it on the already stamped white piece of 4" x 3-3/4" card stock. Add Cherry Cobbler ornament slightly over the top of the Crumb Cake ornament. Adhere the 2 pieces of loose Baker's Twine on the back of the White card stock.

5. Attach white piece to Cherry Cobbler 4-1/4" x 4" card stock. Then attach entire piece to front cover of photo album. Add 1 Rhinestone to the center of each ornament on the cover (total of 3).
6. Put album together by putting prong fastener through 2 holes and fasten. Run piece of sticky strip over entire prong. Peel off orange protective covering and cover with glitter until all sticky strip is completely covered in glitter.
7. Open photo album and decorate each page with some of the contents of Season of Sweets Designer Printed Kit. Feed photos in from the back of each treat envelope package.
