Step-By-Step Directions

1. To create the card base, take a 5 1/2" x 8 1/2" piece of Very Vanilla card stock and score at 4 1/4". Center the front of the card in the Framed Tulips Textured Impressions Embossing Folder and run through Big Shot. Carefully fold at score line to create your base card.
2. Cut a piece of Primrose Petals Core'dinations card stock to fit in the center of your "frame." (4 3/8" x 3 1/8") With the textured side UP, place the card stock into the Vintage Wallpaper Textured Impressions Embossing Folder with the Stampin' Up! Label facing UP and run it through the Big Shot. Using the Stampin' Sanding System (or a sanding block), gently begin to sand the raised portion of the card stock to expose the white underneath. Wipe off the "dust" and adhere to the front of your card.
3. Use a scrap of Very Vanilla card stock and the Hearts A Flutter Framelit as shown in the video and run through the Big Shot. Take that little "banner" and place it in the Vintage Wallpaper Textured Impressions Folder and run it through the Big Shot. Adhere that to the upper right corner of the Core'dinations piece on the front of your card. Attach a large pearl from the Large Pearl Basic Jewels sheet to the center scallop of the "banner."
4. Stamp a greeting (this card uses the stamp set "Trust God") onto Very Vanilla card stock that is at least 2 1/4" x 2 1/4" using Primrose Petals Ink – or Regal Rose Coordinates well also – and emboss using a Heat Tool. Place the greeting onto your cutting plate, center the scalloped heart from the Hearts A Flutter Framelits over the greeting and secure with a post-it-note. Cover it with another cutting plate and place on your Multi-Purpose Platform *fully closed* and run it through the Big Shot. Using a Stampin' Sponge and your Ink Pad, sponge the edges of the heart. Use Stampin' Dimensionals to adhere it to the front of your card. Put the largest pearl from the Pearl Basic Jewels sheet onto the bottom/point of the heart. Put a medium sized pearl on each side of the first pearl and then the smallest pearl on each side of those.

5. Cut a strip of 4 flowers from the 5/8" Flower Trim and apply a Glue Dot to the back of each rose. Attach the strip to the bottom of the Core'dinations card stock as shown in the video.
6. Use a brad and a piece of Crochet Trim to create a bow and adhere to the front of the card above the heart. Cover the brad head with a pearl, if desired.
