Step-By-Step Directions

1. Score 4 Embossed Tags at about the ½" mark on your Simply Scored Board, on one short side. This will be the "binding" for your album. Stack all the tags together and poke 2 holes for your heavy Baker's Twine to go through. **Tip: I use a big needle to thread my Baker's Twine through the holes.** Put your Baker's Twine through the holes and tie a bow. I untwisted the ends.
2. Die cut 3 of the small tags in the Hearts a Flutter Framelits & 3 of the rounded tags in both Pool Party & Calypso Coral. Use one of the Embossed tags as a guide and shorten each tag on the straight side. I layered 2 tags on each page alternating the colors. The first page I added the small tags at the top center, next page, right center, next, bottom center. Stamp your images on Very Vanilla Card Stock and punch with the Petite Curly Label Punch. Adhere with a dimensional. Add your punched Bitty Butterfly with a dimensional too.
3. For the "cover" of your album I stamped the "just for you" in Black Stazon on the right lower side. I used 5 of the flowers that come with the kit, sponged each one and stacked them. Punch out one Little Label, sponge and stack on top of the flowers. Poke a hole through all layers and add your small Vanilla Brad. Attach to album with a dimensional.
4. Punch two Bitty Butterflies with the Tea for Two dsp. Wrap your Calypso Coral Baker's Twine around one Butterfly. Add to the other Butterfly with a dimensional. Then add a dimensional to that one and attach to your album.
