Step-By-Step Directions

1. Turn Chevron gift bag so that the back with the seam is facing upwards. Fold the bottom 1" of the bag up toward the top and secure with Sticky Strip – this forms a nice clean edge for your gift card pocket. Turn bag over so that the seam is in the back. Fold up from the bottom about 2 1/2" and secure down each side using Sticky Strip – this forms the gift card pocket and leaves a pocket in the opening of the bag itself for the card. Die cut the 1 1/2" x 5" Whisper White cardstock using the Large Scallop Edgelit by butting the scalloped edge right up to the 5" edge of the cardstock. Emboss this piece using the Scalloped Lace Delicate Designs Embossing Folder. Adhere this to the front of the pocket aligning the 5" flat edge with the top edge of the

pocket. Die cut the 5" x 5/8" Melon Mambo cardstock using the Scalloped Edge Finishing Touches Edgelit. Adhere this to the top edge of the scalloped lace Whisper White cardstock using a small amount of Multipurpose Liquid Glue.

2. Stamp 2 flowers from the Mixed Bunch stamp set on 3 1/2" x 5 1/2" Tempting Turquoise cardstock using Tempting Turquoise ink. Punch using Blossom Punch. Curl the petals of one using a bone folder and adhere on top of the other using Dimensional. Punch 2 leaves of the Blossom Punch from 2" x 1 3/4" Gumball Green cardstock. Adhere to the back of the flower. Punch 7/8" scallop circle from 1 1/4" x 2 1/4" Daffodil Delight cardstock. Adhere a Very Vintage button to the scallop circle using Glue Dots. Tie a small knot in Daffodil Delight Stitched Grosgrain ribbon and attach to center of button using Glue Dot. Adhere this to the center of the flower using Glue Dots. Adhere entire flower to lower right corner of front of gift card holder using Dimensionals.
3. Paperclip bow: Snip triangles out of each end of the 1/2" x 3" Designer paper to form a banner shape. Mark the center of the 1/2" x 5" Designer paper at 2 1/2" with a pencil and place a piece of Sticky Strip along that line vertically. Fold each end of the paper to the center line securing on the Sticky Strip to form the bow. Adhere this to the 1/2" x 3" piece using Sticky Strip. Using the 1/2" circle punch, take a tiny nip out of each side of the bow at the center so that it looks like it's being pinched in at the center – this will allow the center of the bow to look more realistic. Pick up a Glue Dot with the top of the paper clip – (not the part that will allow it to slide in and out of the pocket). Attach it to the back of the bow. Pick up another Glue Dot on top of the paper clip and attach to one edge of 1/4" x 1 1/4" Designer paper. Begin wrapping this DSP strip around the center of the bow - attach at the back with another Glue Dot and snip off any excess DSP. Place the bow clip in the gift card pocket.
4. Stamp the border from Mosaic Madness on the bottom of the 4 1/2" x 4" white cardstock. Adhere the cardstock to the 4 3/4" x 4 1/4" Tempting Turquoise cardstock. Color the "Happy Birthday to you" stamp from Label Love using the markers. Stamp on 2" x 2 3/4" white cardstock. Punch using Artisan Punch. Adhere to 2" x 2" Melon Mambo cardstock. Hand trim a border around the label. Adhere to top right corner of card using Sticky Strip. Place card in back pocket of gift card holder.
