

12x12 Scrapbook Page – Pennant Parade

Use pennant designer paper. For photo mats cut two 5 ½” x 4 ¼” out of red star paper and two 3 ¾” x 5” mats out of tempting turquoise. Adhere as shown. Cut one scallop square punch out of daffodil delight cardstock. Cut in half and mount to photo mats as shown. Using the scallop edge punch make two sets of borders, using 1 ½” x 5 ½” and 1 ½” x 4 ¼” strips of daffodil delight cardstock. Attach to bottoms of photo mats as shown and adhere to page.

To make pennant: punch 2 pennants each in real red, tempting turquoise, daffodil delight and old olive. Stamp and punch as shown using Pennant Parade stamp set, Pennant Builder punch and Big Top Birthday designer paper. Stamp three pennants with “wish big” and trim edges just a bit.

After making all the pennants, just lay the baker’s twine on your table and put three mini glue dots on the top back of each pennant and line them up under the string. Space each pennant about 1/4" apart. Put a dimensional on the back of each pennant. When you are ready to place it on the 12x12 page, the easiest way to do it is to first stick down your first pennant and then lift the paper up so it's facing you and the pennants are hanging freely. This way gravity works in your favor to place and adhere the pennants perfectly!
