Step-By-Step Directions

1. Score pink card stock as described above. Using paper snips, free-hand cut a little arch on the inside cover (for a pocket).
2. Stamp En Francais in Black ink onto both pieces of Whisper White cards stock and layer onto black card stocks. Stamp Eiffel Tower in Basic Gray on Whisper White 1 ¾" x 3" card stock and layer onto Pretty in Pink card stock 1 7/8 x 3 1/8" and then onto Basic Black card stock 2 x 3 ¼". Wrap Pretty-in-Pink 1 ¼" grosgrain ribbon around front of card and layer Eiffel Tower image on top using Stampin' Dimensionals.
3. Cover the scratch pad with the Pink Pirouette card stock 6 1/8" x 3" and layer the basic black and whisper white card stocks on top. Put sticky strip on the back of the pink card stock pad and adhere a loop of elastic (to hold the pen). Adhere the pad to the inside of the holder.
4. Attach 3 magnets on the inside cover using mini glue dots. Cover with Flirtatious Specialty DSP. Put a strip of sticky strip on the bottom of the inside flap that you free-hand cut and seal.
5. Attach 3 magnets on top of the covered magnets and put a mini glue dot on top of each one. Carefully line up the flap on top of the magnets to transfer them to the flap. Fill in the gaps with stampin' dimensionals and cover with a piece of sticky strip. Wrap a piece of 1/8" black taffeta ribbon across the flap and stick it to the sticky strip. Cover the edges of the ribbon with mini

glue dots and adhere the black strip of card stock to the pink flap. This flap will stick to the front of the project.

- Using the flower punch of the Itty Bitty Shapes Punch, punch out 4 pieces of Pink Pirouette card stock. Put them on your mat and use your stylus to make a depression in the center of each. Put a mini pearl in the center of each and adhere to the front of your project using mini glue dots.
