Step-By-Step Directions

1. Cut and score Sahara Sand card stock for cover and adhere together as shown in video. Layer Designer Series Papers and Card stocks to decorate cover.
2. Trim edge of 6 x 6 scrapbook page protectors to create two pockets. (You can substitute 6 x 8 cello bags trimmed down to 6 x 6). Put sticky strip all around the back of the pockets and adhere one to each side of the inside of your project. Slip a 6 x 6 piece of Designer Series Paper into each pocket. (Adhere if desired.)
3. Cut and score your cards – 2 Not Quite Navy and 2 Chocolate Chip. Adhere your 5 x 3 Designer Series Papers to the 5 x 5 card fronts and wrap a ribbon around each to hide the seam where your DSP meets the card stock. Adhere the card fronts to the cards.
4. Stamp 5 greetings onto Very Vanilla card stock - 3 in Not Quite Navy Classic Ink and 2 in Chocolate Chip Classic Ink. Use the corresponding punches to punch out your greetings.
5. Using your 2 3/8” Scalloped Circle Punch, punch out 2 Not Quite Navy scalloped circles. Using your Curly Label Punch, punch out a Not Quite Navy curly label. Using your Extra Large Oval Punch, punch out a Chocolate Chip Oval. Using your Scalloped Oval Punch, punch out a Not Quite Navy scalloped oval.
6. Use the Chocolate Chip oval to border the extra large oval greeting by offsetting it slightly. Use the Night of Navy large scallop circles to border the “Wish Big” circle and the Night of Navy “Happy Birthday” oval. Take the Curly Label Punch and cut it in half. Mount it behind the curly label punched greeting. Do the same with the Scallop Oval punch. Then, mount your greetings to your cards and the last greeting to the front of the belly-band.
7. Using Designer Series Paper, create envelopes for your cards by cutting the DSP to 8 1/2” x 8 1/2”. Put the DSP onto your Score Tool with the Diagonal Plate and score at 3 3/8” all around. Use a small square punch to punch out the small triangles where the lines intersect. Put snail on the flaps and adhere the bottom onto the two sides.
8. Put your cards and envelopes into your pockets.
9. Create the belly-band by scoring your strips and adhering them together while wrapping them around your project for sizing.
