Step-By-Step Directions

1. Adhere 12" x 11 1/2" Basic Black card stock to Plastic Divider with tab at the bottom. Adhere cardboard to the back of the plastic divider.
2. Using Crop-A-Dile, place jumbo eyelets in at top corners of board. Tie Ribbon through eyelets and make a knot in the back to hold ribbon in place. Join the pieces together in the front and tie a knot. This will allow you to hang your board.
3. Adhere the cork panel to the bottom of the Black card stock with sticky strip.
4. Stamp "Lines" and "Frame" images onto Very Vanilla card stock and adhere to Cherry Cobbler coordinating card stock and arrange above cork panel. Stamp "Details" and "Notes" images and punch out with Large Oval punch and adhere to black scallop oval. Adhere those to Cherry Cobbler Decorative Labels with Stampin' Dimensionals. Attach to your project.
5. Using Beautiful Wings Embosslit, run two pieces of Very Vanilla card stock and two pieces of Cherry Cobbler card stock through the Big Shot to make 15-20 butterflies. Layer and add pearls to center of butterflies. Adhere them to the top of thumb tacks with glue dots and pin to cork panel. Decorate a couple more butterflies and adhere them to the top of your project using Stampin' Dimensionals or Mini Glue Dots.
